TEMPLATE 1 · FREE FROM CLEAN CUT SVG

A2 envelope (fits a 4.25 x 5.5 in card)

cut
fold / score

Free for personal, classroom and library use, and for handmade cards you sell. Please don't share or sell the files themselves.

A2 envelope (fits a 4.25 x 5.5 in card)

5.75 x 4.375 in (A2) | 5 min | Copy paper, text-weight paper or a magazine page

You need

- Paper
- Scissors
- Glue stick or double-sided tape

CUTTING MACHINE?
Upload the SVG (Cricut Design Space, Silhouette Designer Edition and up) or the DXF (Silhouette Basic). Set the dashed lines to Score, then Attach them to the cut shape.

Steps

1. Print at 100% and cut on the solid outline.
2. Fold the two side flaps in.
3. Fold the bottom flap up and glue its side edges to the side flaps.
4. Slip in your card. Fold the top flap down and seal it with glue, tape or a sticker.

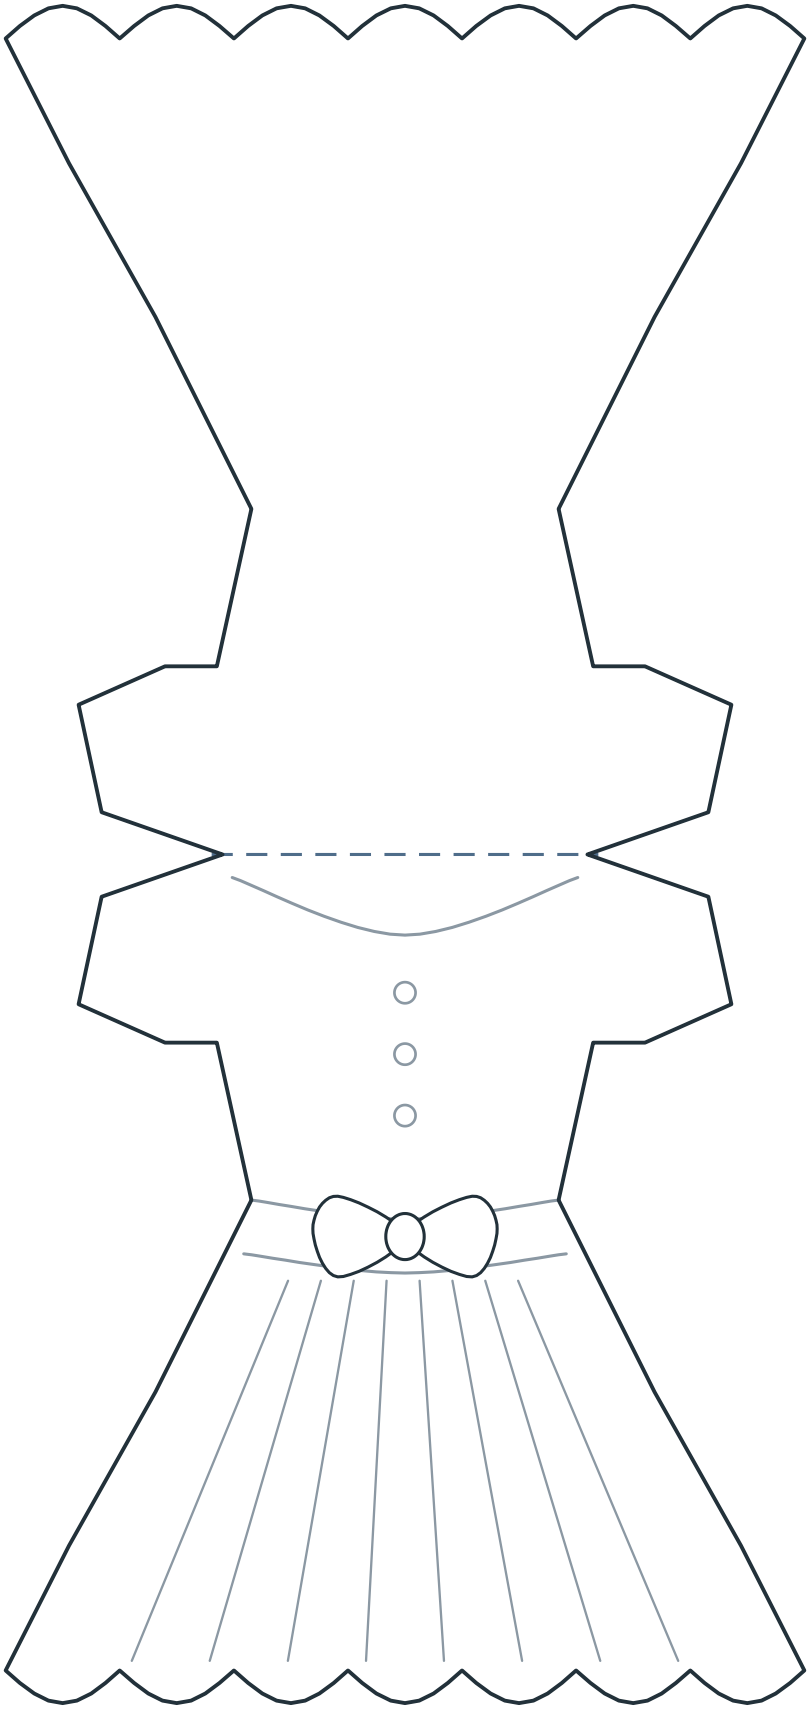

Tip: Trace the cut-out envelope onto a page of patterned scrapbook paper or an old map for a one-of-a-kind envelope.

Free for personal, classroom and library use, and for handmade cards you sell. Please don't share or sell the files themselves.

TEMPLATE 2 · FREE FROM CLEAN CUT SVG

Dress shaped card

cut
fold / score
top half = back of the card

Free for personal, classroom and library use, and for handmade cards you sell. Please don't share or sell the files themselves.

Dress shaped card

4.2 x 4.4 in folded | 10-15 min | Cardstock, 65-80 lb (176-216 gsm)

You need

- Cardstock
- Scissors or a cutting machine
- Bone folder or a dry ballpoint pen to score
- Markers, colored pencils or patterned paper to decorate
- Glue stick

CUTTING MACHINE?

Upload the SVG (Cricut Design Space, Silhouette Designer Edition and up) or the DXF (Silhouette Basic). Set the dashed lines to Score, then Attach them to the cut shape.

Steps

1. Print at 100% (actual size) on cardstock.
2. Score the dashed fold line with a ruler and a bone folder or a dry pen.
3. Cut along the solid outline. Cut any small inside openings first, while the sheet is still stiff.
4. Fold the top half back along the score so the outline lines up.
5. Color or layer the front. Write your message inside, or glue in a sentiment strip.

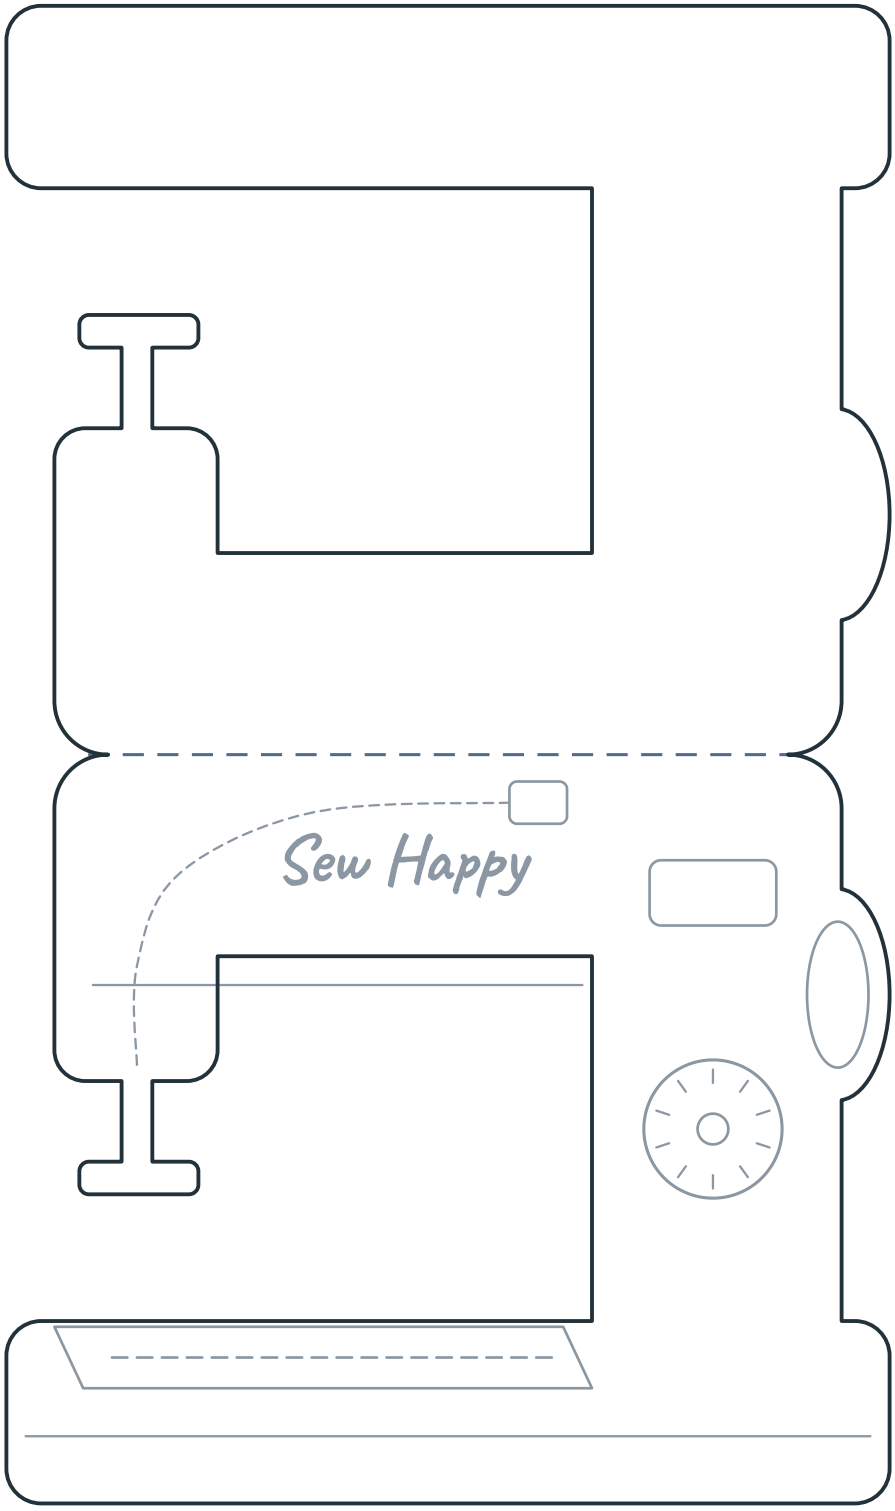

Tip: For a layered look, cut the same shape again from patterned paper, trim 1/8 in off all around, and glue it to the front.

Free for personal, classroom and library use, and for handmade cards you sell. Please don't share or sell the files themselves.

TEMPLATE 8 · FREE FROM CLEAN CUT SVG

JOY word card

cut
fold / score
top half = back of the card

Sentiment strips: cut out and glue inside

Wishing you joy	Joy to the world
Merry and bright	Peace, love and joy

Free for personal, classroom and library use, and for handmade cards you sell. Please don't share or sell the files themselves.

JOY word card

7.7 x 3.0 in folded | 15-20 min | Cardstock, 65-80 lb (176-216 gsm)

You need

- Cardstock
- Craft knife and cutting mat for the letter openings (or a cutting machine)
- Scissors
- Bone folder
- Glue stick

CUTTING MACHINE?

Upload the SVG (Cricut Design Space, Silhouette Designer Edition and up) or the DXF (Silhouette Basic). Set the dashed lines to Score, then Attach them to the cut shape.

Steps

1. Print at 100% on cardstock.
2. Cut the openings inside the letters first with a craft knife.
3. Score the dashed fold segments at the top of each letter.
4. Cut around the outside of the word.
5. Fold the top half back. Cut a sentiment strip from the bottom of the sheet and glue it inside.

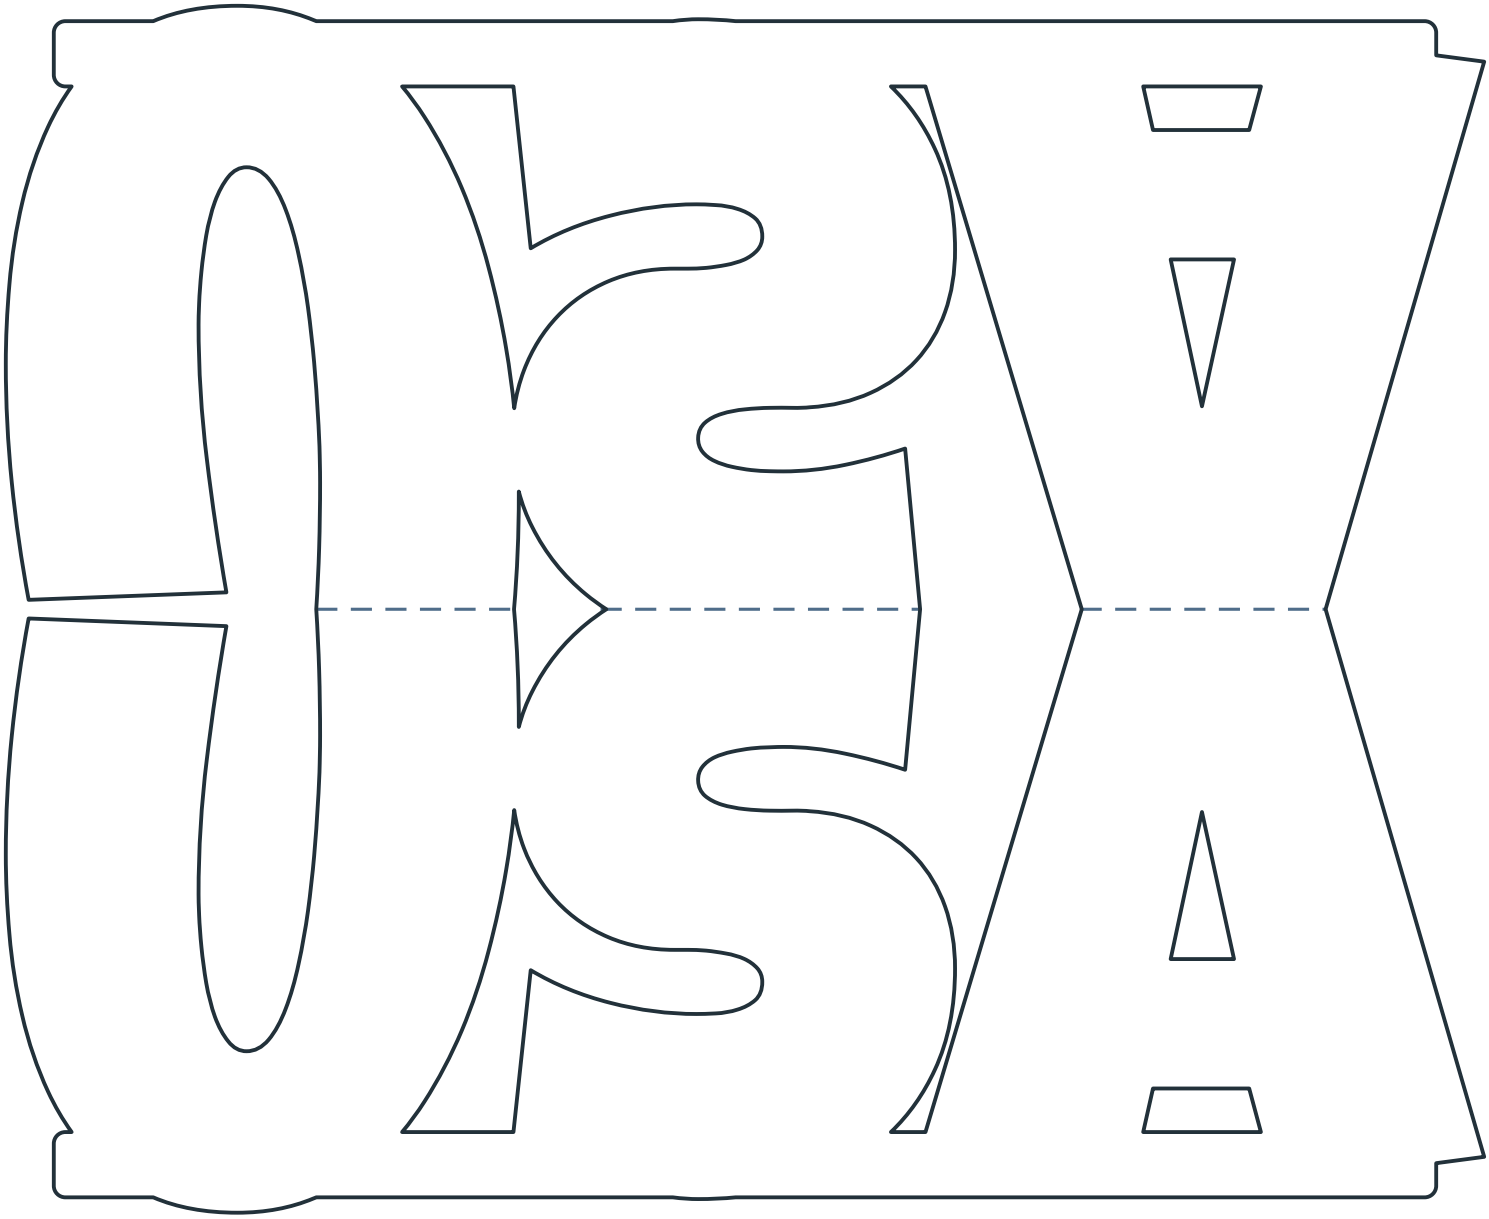

Tip: Glue a piece of contrasting cardstock behind the letter openings on the front so the counters show a pop of color.

Free for personal, classroom and library use, and for handmade cards you sell. Please don't share or sell the files themselves.

TEMPLATE 12 · FREE FROM CLEAN CUT SVG

Calendar holder, small

cut
fold / score

Calendar holder, small

4.75 x 4 in front | 15 min | Heavy cardstock, 80-110 lb (216-300 gsm)

You need

- Heavy cardstock
- Scissors and a craft knife
- Ruler and bone folder
- Strong glue or double-sided tape
- The 2027 month cards (next template), or your own photo

CUTTING MACHINE?
Upload the SVG (Cricut Design Space, Silhouette Designer Edition and up) or the DXF (Silhouette Basic). Set the dashed lines to Score, then Attach them to the cut shape.

Steps

1. Print at 100% on heavy cardstock.
2. Cut the corner slits on the front panel with a craft knife.
3. Cut along the outline.
4. Score and fold on the three dashed lines so the strip makes a triangle.
5. Glue the tab under the top edge of the front panel and hold until it sets.
6. Tuck the four corners of a month card into the slits.

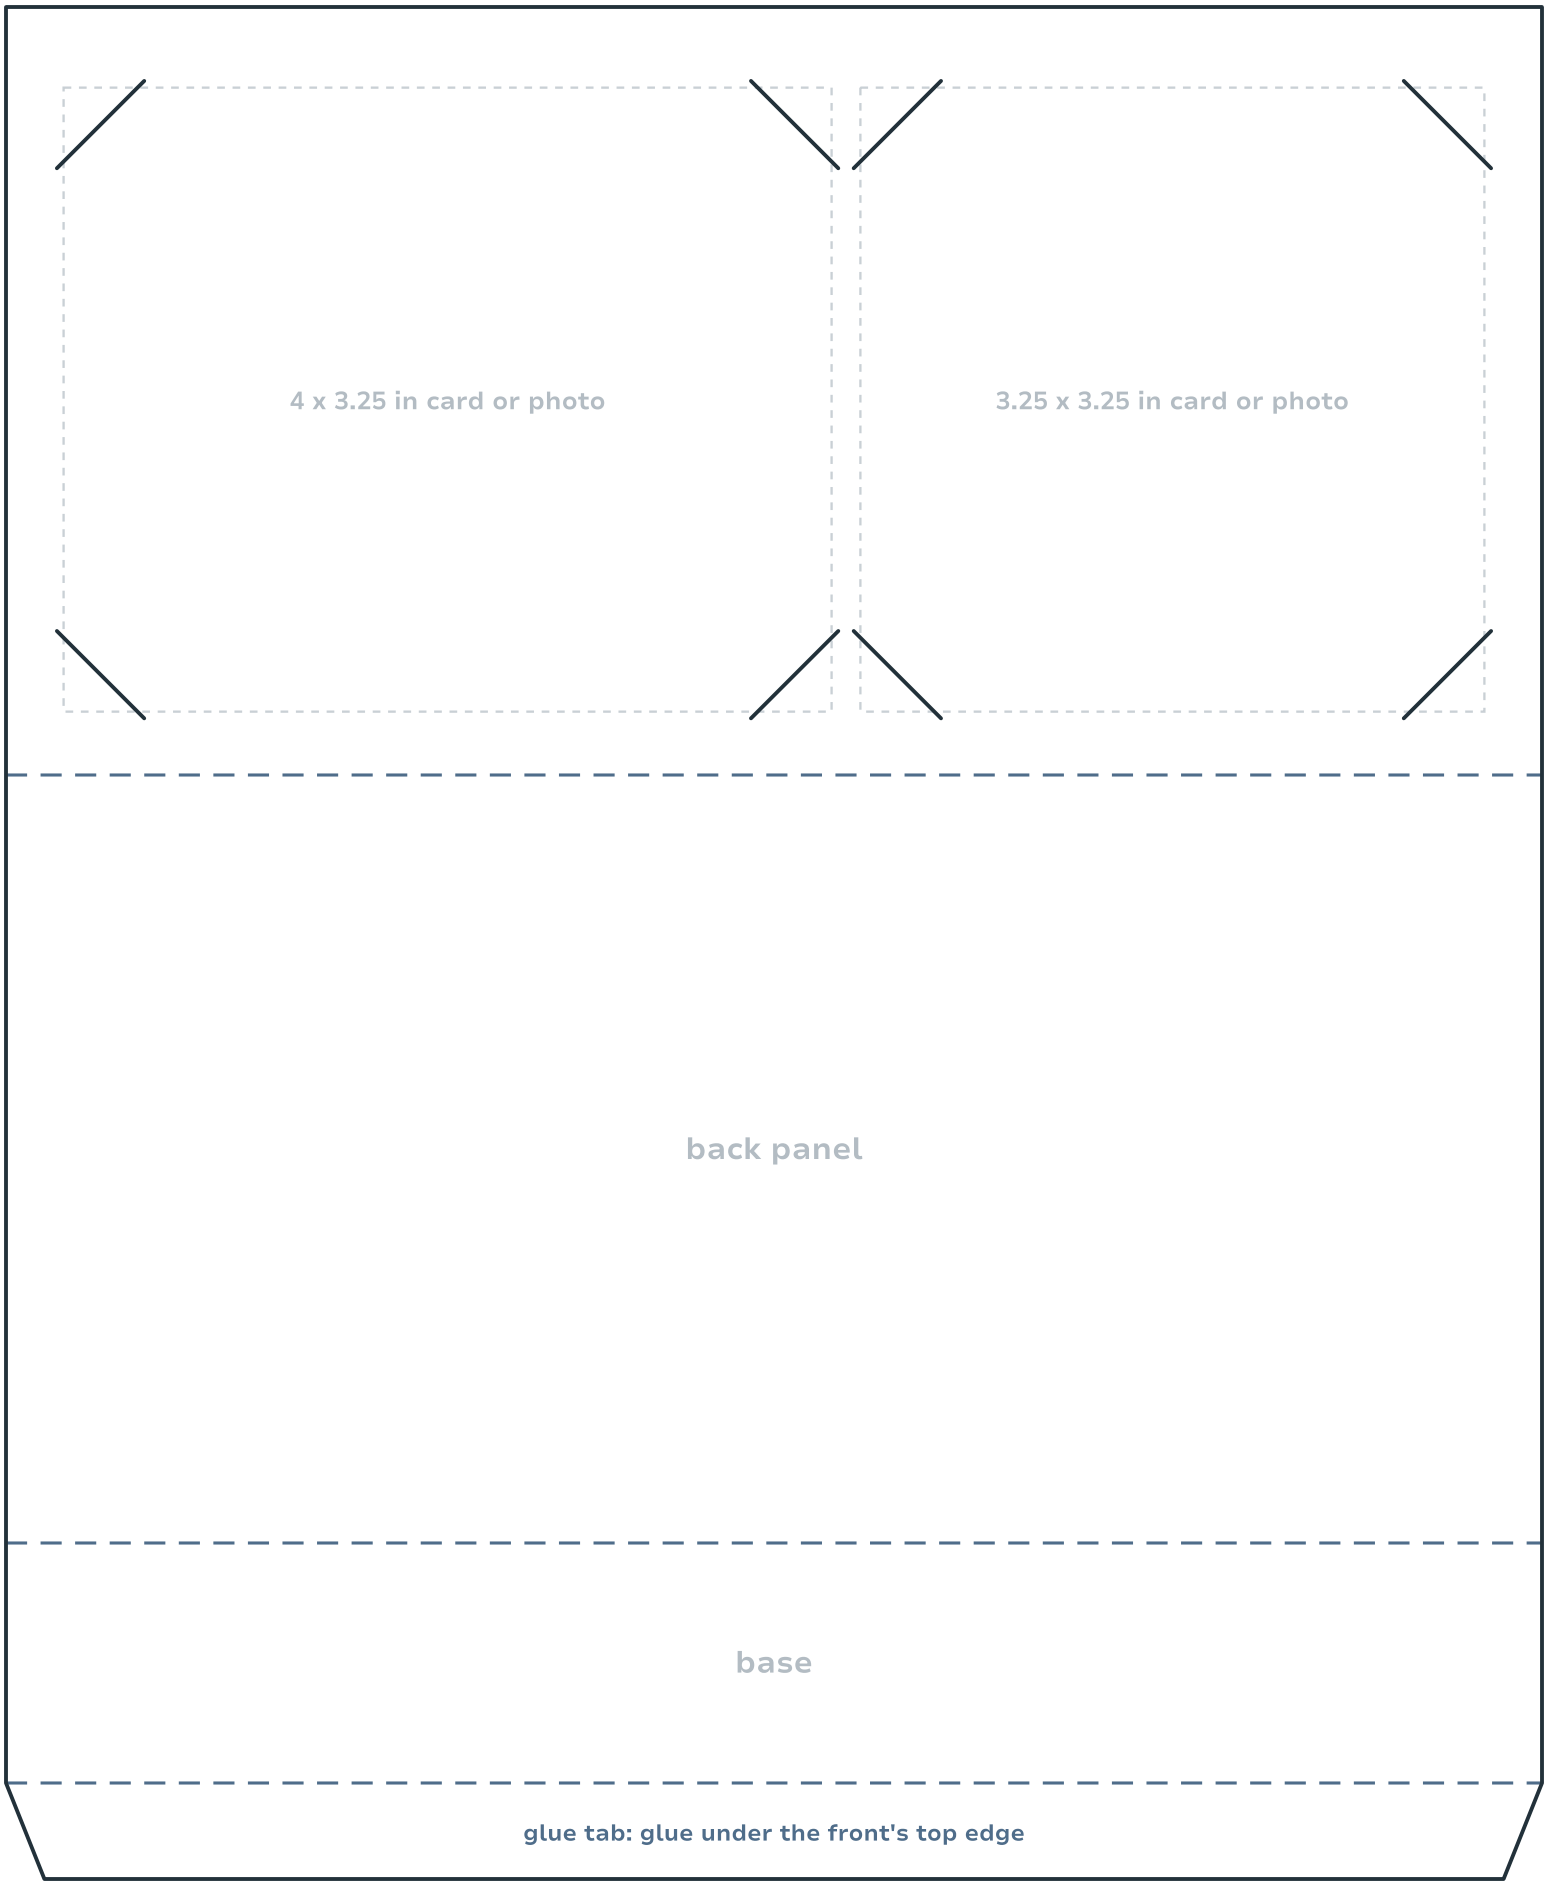

Tip: Each month, slide the old card out and tuck the next one in. The back panel is a good place for a short list of birthdays.

Free for personal, classroom and library use, and for handmade cards you sell. Please don't share or sell the files themselves.

TEMPLATE 13 · FREE FROM CLEAN CUT SVG

Calendar holder, wide

cut
fold / score

Calendar holder, wide

8 x 4 in front | 15 min | Heavy cardstock, 80-110 lb (216-300 gsm)

You need

- Heavy cardstock
